

Welcome to a
better banking
experience

A relationship you can bank on.

Credit Corporation Limited PNG, the most trusted name in financing for over 45 years, is proud to announce we are now a digital-first niche commercial bank.

CreditBank PNG

In addition to financing, our new bank will offer a full suite of savings and payment solutions. Our aim is to provide you with products and services that grow as your financial needs grow, and a customer experience that is easy, dependable, convenient, and focused.

We are shifting our paradigm.

Technology has changed everything. Including banking.

We understand you want the same excellent experience from your bank as you get from any of the apps or brands you love.

That is why we are building our banking model on the things customers told us they want:

- No wasting time waiting in long lines
- FREE 24/7 account information and money management tools
- Competitive savings solutions
- Transparent pricing
- Products and services that grow with You

Self-service. Full-service. Your choice.

We have focused our new business on providing you with the most excellent digital-first experience. Giving you the ability to easily bank digitally from a computer, mobile, or tablet, 24/7, via an internet connection.

For your convenience, we will also have self-service kiosks so you can pop into a branch and transact online, with the added benefit of our outstanding team available to help you with your banking when needed.

Please join us on our journey

We want to ensure your digital user experience is better than the competition. This means delivering an easy-to-use, intuitive interface that makes banking effortless and puts you in control of your money, at any time of day or night, from almost anywhere. No remembering cumbersome usernames and passwords because you create your own.

Open a Transaction account.

You can do it in two ways:

- 1 On your mobile phone
- 2 Make an appointment and visit a branch

Whichever way you choose, you will need:

Two photographic ID documents which can be a valid Passport and Driver's License, and proof of address such as a utility bill.

1

Open an account on your mobile phone:

- Please scan the QR code and download the CreditBank PNG app.

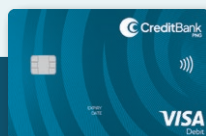

- Follow the prompts.

You will be asked to upload pictures of your ID documents, and take a selfie. Your application won't be interrupted.

Once you have completed your mobile account opening, use your new Username and Password to bank from any connected mobile device, computer, or tablet. 24/7.

Be sure to apply for your **FREE Visa Debit card**. It's easy:

- 1) Log into our App
- 2) Go to Cards
- 3) Apply for Debit card
- 4) Create PIN

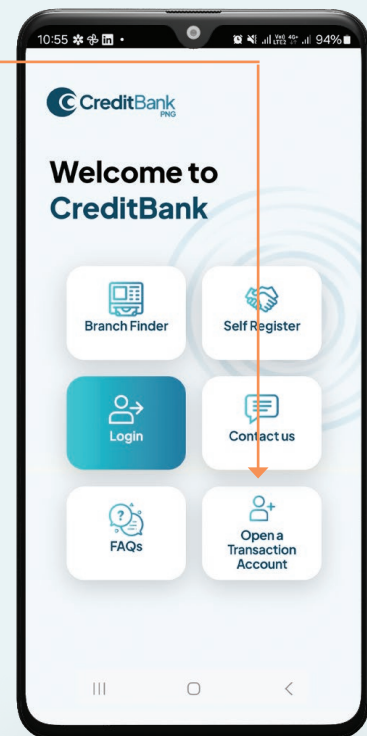

You will be notified when your physical card is ready for pick-up at your branch.

2

Make an appointment and visit a branch:

- Either book an appointment via our website: creditbank.com.pg/book-an-appointment
- Or email us at: contactus@creditbank.com.pg
- To get started, you can download a Transaction account application at creditbank.com.pg/forms to bring with you.
- See [page 22](#) for branch locations.

Online banking services.

Where money management meets easy. 24/7

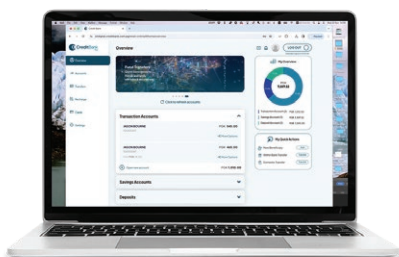

Whether you bank from your computer or from your mobile device or tablet, you can easily and securely manage your money from nearly anywhere. Need to check your balance before making a big purchase? With online banking, all you need is a connected device, and you can transfer money internally and externally, view accounts, and more.

Online banking

Bank online from your laptop or desktop

Want a bigger screen to manage your money? Want the ability to view accounts from your laptop at home or on the road? Your office desktop? Enjoy secure, simple, and convenient electronic access to your accounts with no fees and no special software required.

Find out how to register on [page 6](#).

Online banking features:

- Open Savings and Term deposit accounts
- Send queries and complaints via the online platform
- Manage card usage and change PIN
- Make transfers to external banks and internal accounts
- Check balances and print statements.

Mobile banking

You probably never leave home without your phone, which means you can always manage your accounts. Enjoy two safe and secure ways to bank digitally:

Bank digitally from your phone using our app

Download the CreditBank PNG mobile app:

Mobile banking app features:

- Log into the app with Biometric or simple 4-digit PIN
- Top up phone credits
- Use Tap to Pay to make purchases with your Virtual Visa Debit card (only available on Android)
- Open Savings, Term deposit and other accounts
- Send queries and complaints via the online platform
- Manage card usage and change PIN
- Make transfers to external banks and internal accounts
- Check balances and print statements.

Bank digitally from your phone using WhatsApp

With a more limited set of banking features, WhatsApp is perfect for quick checks and top-ups.

WhatsApp features:

- Checking account balance
- Viewing recent transactions
- Requesting mini statements
- Transferring funds between accounts
- Recharging mobile phones.

How to register for Online banking.

If you open your transaction account using your mobile phone, you will automatically be registered for Online banking.

If you open your account in-branch and do not register for Online banking with a Customer Service Officer, you will need to Self-register by scanning the relevant QR code on page 5 to download our app.

Then follow the prompts:

- You will need your Transaction account number and Customer identification number (CIF).
- You will create your own Username and Password, making it easier for you to remember, and faster to log-in.
- Accept the Terms and Conditions, and you are ready to:
 - Order your FREE Visa Debit card
 - Transfer funds into your new Transaction account
 - Register for a Virtual Visa Debit card* and enjoy Tap to Pay today!

* Only available on Android

CreditBank PNG Visa cards

Log into Online banking to order your Visa Debit card and Register for Tap to Pay with your Virtual Visa Debit card*. Here's how:

- Click on Card Services and apply for your Visa Debit card
- Click Register for Tap to Pay to activate your Virtual Visa Debit card*

Don't forget to transfer money from your other bank accounts into your new Transaction account to start enjoying the benefits.

Your Visa Debit card will be ready for branch pick-up 10 days after you apply. It's FREE.

How to activate your Visa Debit card.

1. Log into Online banking or our app
2. On the Menu select Cards
3. Go to Create PIN option
4. Create a 4 digit PIN
5. Activate your card.

If you open an account on your mobile phone, your Visa Debit card will be ready 10 days after you apply for the card on our app.

Your card can be used in-store, online, or virtually from your phone.

Your Transaction account comes with both a physical CreditBank PNG Visa Debit card and a Virtual Visa Debit card (only available on Android). This means if you do not have your wallet, you do not have to worry. Your Virtual Visa Debit card can be accessed from your Android phone.

How to use your Virtual Visa Debit card

- Log into the CreditBank PNG mobile app
- Create mPIN
- Click on Cards
- Register for Tap to Pay
- Accept Terms and Conditions and follow prompts.

How to make a Tap to Pay purchase

- Ensure the merchant accepts Tap to Pay
- Set Tap to Pay as default for your card
- No need to log into your digital account.
