

**Welcome to a
better banking
experience**

Credit Corporation Limited PNG, the most trusted name in financing for over 47 years, is proud to announce we are now a digital-first niche commercial bank

CreditBank PNG

In addition to financing, our new bank will offer a full suite of business transaction and payment solutions. Our aim is to provide you with products that help grow your business and a customer experience that is easy, dependable, convenient, and focused on your needs.

CreditBank PNG. A relationship you can bank on.

Technology is at the centre of everything.

No matter the size of your business, or the segment you serve, technology plays an essential role in your success.

Ours too. That is why CreditBank PNG built a digital-first commercial bank. Harnessing the power of technology to make money management more convenient, dependable, and fast, we aim to ensure:

- No wasting time waiting in long lines
- FREE easy-to-use 24/7 digital banking tools
- Always available statements
- Competitive interest rates
- Transparent pricing
- Products and services that grow with You

Self-service. Full-service. Your choice.

We have focused our new business on providing you with the most excellent digital-first experience. Giving you the ability to bank digitally from a desktop or laptop, 24/7, via an internet connection.

For your convenience, we will also have self-service kiosks so you can pop into a branch and transact online, with the added benefit of our outstanding team available to help you with your banking when needed.

Please join us on our journey

We want to ensure your digital user experience is better than the competition.

This means making banking effortless and putting you in control of your money at any time day or night, from almost anywhere. No remembering cumbersome usernames and passwords because you create your own.

Open a Transaction account.

Here is how.

- You will need to download our Business Account application at: creditbank.com.pg/forms
- You will then need to make an appointment to visit a branch, bring your completed application with you, and work with a Relationship Manager to open an account. Go to [page 18](#) for a full list of branch locations. Make the appointment by visiting: creditbank.com.pg/book-an-appointment

Be sure to bring the proper documents with you which are based on your business type.
